REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Tigerville Elementary School is a community school located in Northern Greenville and serves 261 students in grades K4 through grade 5. Our school has a community atmosphere in a cheerful, child-centered facility. Tigerville Elementary school is a school where all children are known by his/her name. The staff at Tigerville Elementary works diligently to provide the best educational experiences for our students. We believe learning must include instruction that is integrated, aligned with state standards, and includes opportunities for the use of technology. The instruction is multilevel; takes place in individual, small and large groups while addressing the diverse learning styles of children. Each year, stakeholders review the school’s strategic plan and make changes to meet the needs of the students. This year, teachers focused on continued implementation of a balanced literacy approach. Tigerville connected with the Cliffs at Glassy to provide reading volunteers four days a week in grades 1-3. Our school became a wireless school and we were able to put some i-pads in each classroom. Teachers worked diligently to incorporate the use of i-pads into their daily lessons. We continue to strive to move student achievement forward. Students and staff serve the community through a variety of service learning projects such as food drives, collecting pop tabs, and hosting a school-wide yard sale. Tigerville Elementary is a proud school where students, parents, staff, and community members work together! “Can’t Hide The Tiger Pride!”
